

Holiday Neighborhood Association

Labor Volunteers needed for Movies in the Park!

Beginning 2023 and onward

Note: The tasks involved are *physical*, requiring the ability to lift heavy equipment (50 lbs) and set up and take down the movie screen.

Also note: a vehicle is required for transporting the generator and other equipment

Tasks consist of:

- Receive movie DVD in the mail.
 Note: The movies will be pre-selected
- Pick up and drop off heavy generator before and after each movie to Sunbelt Rentals or Home Depot. *Vehicle needed.*
- Set up and take down of movie screen before and after each movie.
- Set up and take down of Audio/Video equipment before and after each movie.
- **Night of Movie:** Set up all equipment, play movie, take down all equipment. Training will be provided!

If the movie season is completely volunteer driven, it will allow for 3-4 movies per summer. If there are none or not enough volunteers to do the physical labor, the Park will hire a production company which will allow for 1-2 movies per summer.

➤ The movies will be pre-selected each year.

If you are interested in helping with the *physical labor* involved in producing the Movies in the Park, please email meg@rpmhoa.com.
